AL ZAHIA
ALUMINIUM WORKS (S.P.S - L.L.C)
Elegance in Every Frame

WPC DOORS

We manufacture and install high-quality WPC (Wood Plastic Composite) doors known for their durability, eco-friendliness, and resistance to moisture, making them ideal for modern living and working spaces.

CAST ALUMINUM WORKS

At Al Zahia Aluminium Works, we take pride in our ability to produce high-quality and highly durable cast aluminum and metal products tailored to meet the exact specifications and aesthetic preferences of our clients. Whether it's for residential, commercial, or industrial applications, our cast aluminum and metal works combine the beauty of intricate designs with the strength of premium-grade materials.

Key Areas of Expertise:

Customized Cast Aluminum Products

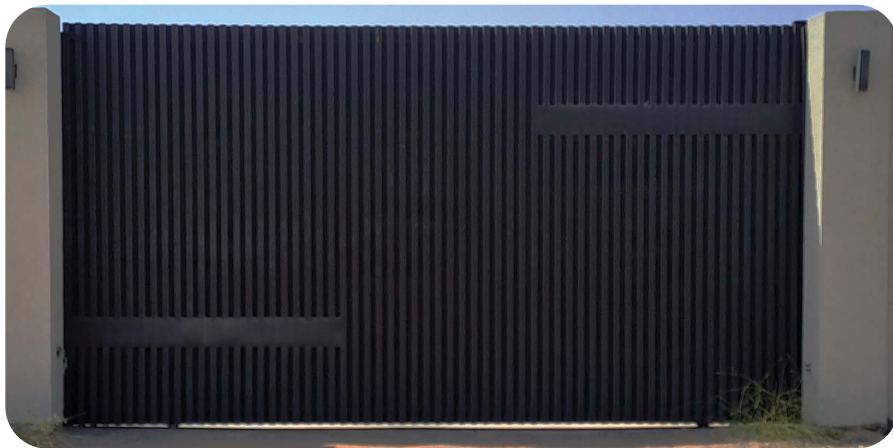

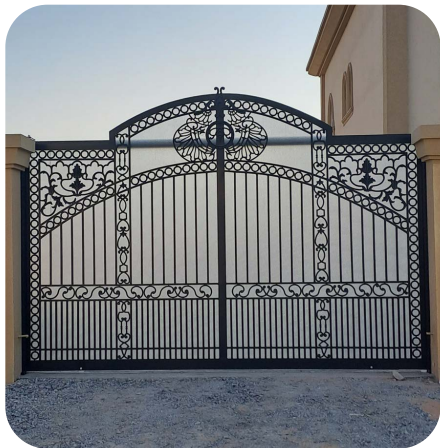

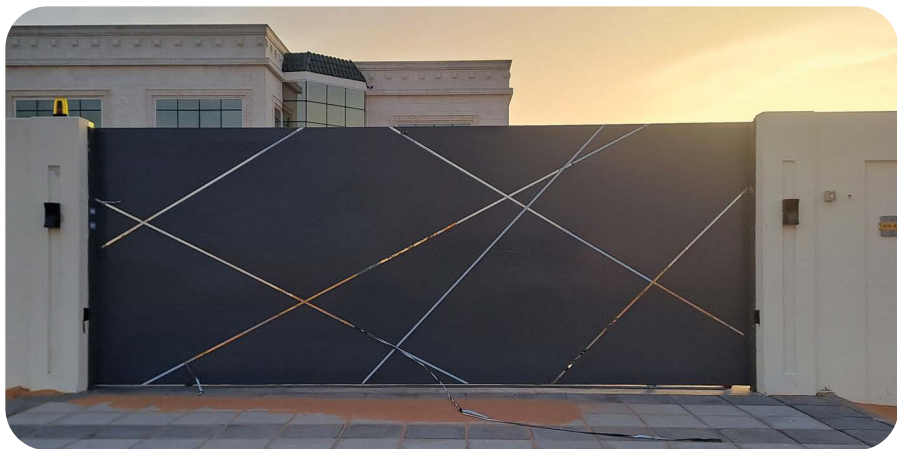

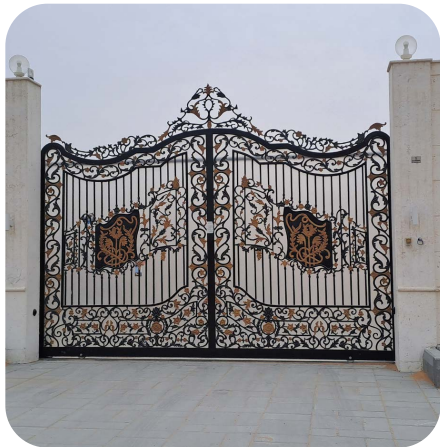

Our cast aluminum works are renowned for their elegance, precision, and durability. Aluminum casting allows us to create complex and intricate designs that are lightweight yet strong, corrosion-resistant, and built to withstand harsh environmental conditions. We specialize in:

Boundary Wall Gates: Elegant and secure gates with detailed patterns, tailored to enhance the exterior appeal of your property.

Villa Doors: Custom cast aluminum doors that provide a luxurious and grand entrance while ensuring security and longevity.

Stair & Balcony Handrail: Ornamental Railings & Balconies: Decorative and functional railings that add a touch of sophistication to stairways, balconies, and terraces.

THE GATEWAY TO
YOUR DREAM HOME

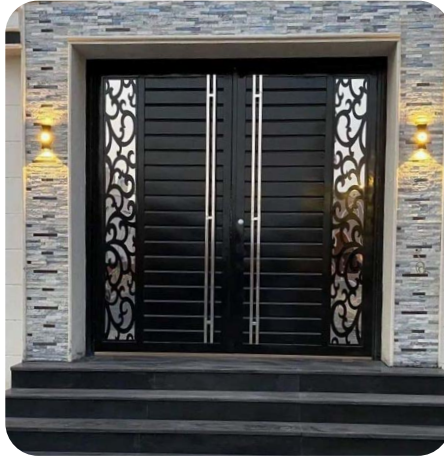

VILLA DOORS:

At Al Zahia Aluminium Works, we design and fabricate custom villa doors that serve as the perfect blend of luxury, security, and durability. Our villa doors are crafted from high-quality cast aluminum and steel, offering not only aesthetic appeal but also long-lasting performance in even the most demanding environments.

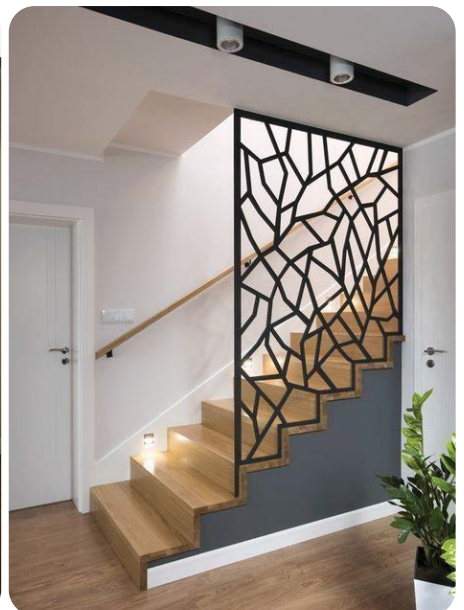

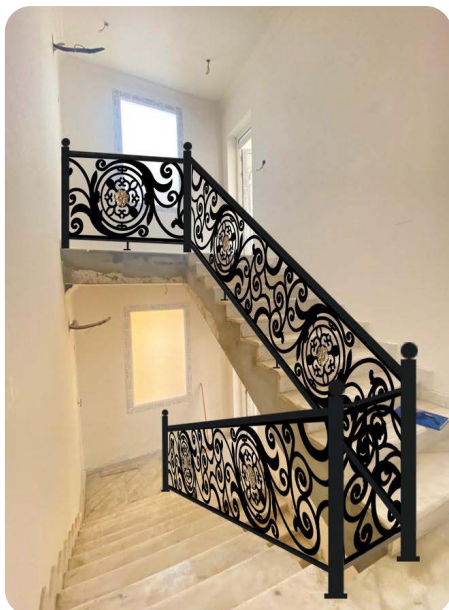

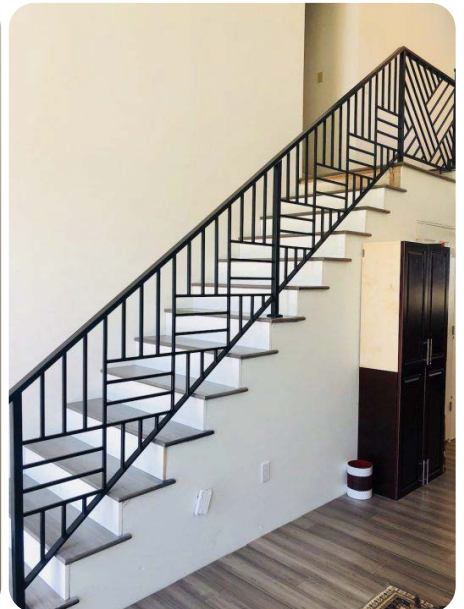

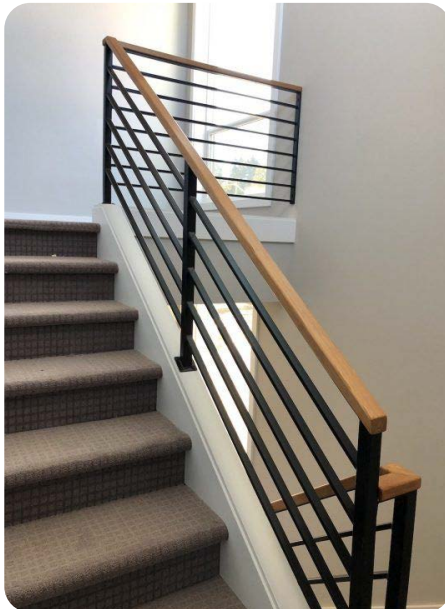

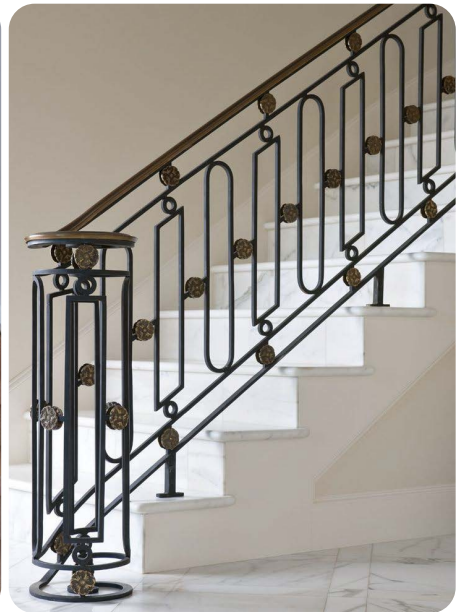

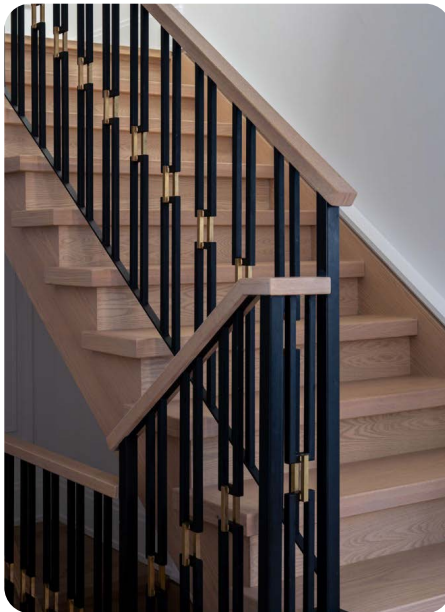

VILLA MAIN DOORS

STAIR & BALCONY HANDRAILS

At Al Zahia Aluminium Works, our cast aluminum stair and balcony handrails are designed to offer a perfect combination of elegance, durability, and safety. These handrails are ideal for both residential and commercial properties, providing not only functional support but also an aesthetic element that enhances the overall design of your space.

PERGOLA DESIGN

AT AL ZAHIA ALUMINIUM WORKS, OUR ALUMINUM PERGOLAS ARE DESIGNED TO ENHANCE OUTDOOR LIVING SPACES WITH STYLE, DURABILITY, AND FUNCTIONALITY. WHETHER FOR RESIDENTIAL GARDENS, TERRACES, PATIOS, OR COMMERCIAL OUTDOOR SPACES, OUR CUSTOM ALUMINUM PERGOLAS PROVIDE SHADE, COMFORT, AND AN AESTHETIC APPEAL THAT COMPLEMENTS ANY ARCHITECTURAL STYLE.

PERGOLA & PATIO

GLASS WINDOW

At Al Zahia Aluminium Works, we specialize in providing top-tier glass and aluminum works that offer a perfect balance of modern aesthetics, functionality, and durability. Whether for residential, commercial, or industrial applications, our solutions are designed to enhance the visual appeal of spaces while offering practical benefits like energy efficiency, durability, and low maintenance.

KEY AREAS OF EXPERTISE:

1. Aluminum Windows & Doors

Our aluminum windows and doors are designed to offer sleek, contemporary looks with high performance. They are lightweight, strong, and provide excellent thermal and sound insulation. We offer a range of styles and configurations that can be customized to fit any space.

Sliding Windows & Doors: Space-saving and easy to use, sliding windows and doors are ideal for both modern homes and commercial spaces.

Bi-fold Doors: Perfect for creating wide openings between indoor and outdoor spaces, bi-fold doors provide flexibility and style.

GLASS & ALUMINIUM WORKS

2. Curtain Walls

Our aluminum curtain walls are the perfect solution for modern commercial buildings. They provide a striking exterior while offering a strong, lightweight, and weather-resistant structure. With large glass panels framed by sleek aluminum, curtain walls maximize natural light and give buildings a polished, high-end appearance.

Energy Efficiency: Our curtain walls are designed with thermal breaks and insulated glass to improve energy efficiency, reducing heating and cooling costs.

Durability: Aluminum is naturally resistant to corrosion, making it an ideal material for curtain walls, especially in areas exposed to harsh weather conditions.

3. Glass Partitions

Ideal for modern offices and homes, our glass partitions create a sense of openness while maintaining privacy. The combination of glass with sleek aluminum frames offers a contemporary look, suitable for dividing spaces without blocking light.

Frameless Glass Partitions: Minimalist designs that use clear or frosted glass, creating seamless divisions between spaces.

Framed Glass Partitions: Combining strength and style, these partitions use aluminum frames to define spaces with a modern aesthetic.

4. Skylights & Roof Glazing

Our aluminum-framed skylights and roof glazing systems are designed to flood interiors with natural light, creating brighter, more inviting spaces. These systems are engineered for durability, energy efficiency, and weather resistance.

Fixed Skylights: Stationary skylights that allow maximum light into the space.

Operable Skylights: Provide ventilation along with natural light by allowing the option to open and close.

5. Facade Glazing

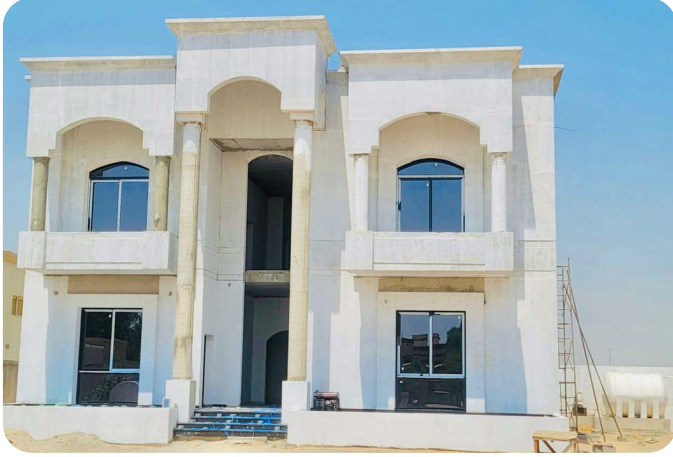

We offer glass facades that combine the strength of aluminum with large glass panels, providing an eye-catching and energy-efficient exterior solution. Our facade glazing options can be customized to meet the architectural and aesthetic requirements of any building.

Thermal Insulation: Advanced glazing technologies and thermal breaks improve the energy efficiency of your building.

Custom Designs: We work closely with architects and designers to create customized facade solutions that align with your building's aesthetic and functional needs.

GLASS & ALUMINIUM WORKS

WHY CHOOSE US

- Quality Assurance: We use only the best materials and ensure meticulous craftsmanship.
- Tailored Solutions: Each project is customized to meet the specific needs and preferences of our clients.
